To SC Public Service Commission:

I am writing to request a 60 day extension to submit my Insurance Liability Form E, Safety Inspection to be done by Jonathan Teeter, and License decal Application form and fee. We are aggressively working towards completion of the process and the extension will ensure us time to get this done. The company is TC Medical Transport, 1253 Celebration Blvd, Florence SC 29501, and the docket number is 2010-120-T. I would greatly appreciate an extension.

Thank you for your time,

Lynique Johnson

Project Director
